PURPOSE OF CIRCULAR:

To advise that effective August 15, 2001, Preventative Maintenance Program (PMP) decals can only be purchased from Compliance Programs and Standards in Victoria.

BACKGROUND:

Previously, PMP decals were purchased at points of service. Due to interprovincial requirements, changes have been made to the PMP. As a result of these changes, effective August 15, 2001, PMP decals can only be purchased from Compliance Programs and Standards in Victoria. An MV3054 Vehicle Inspection Order Form, available from points of service, must be completed and mailed to Victoria with the appropriate fee payment. The order will then be processed and the decals mailed to the PM facility.
