

Commercial Vehicle Safety & Enforcement

Commercial Transport Department

NOTICE

To All Permit Issuers, Industry and the General Public

**Planned Systems Outage from Saturday, November 28th, 2020 at 6:00 pm PST until
Sunday, November 29th, 2020 at 6:00 pm PST**

To Whom It May Concern:

The Ministry of Transportation and Infrastructure will be performing scheduled maintenance on the following applications and related systems:

EVD – Electric Vehicle Database
CDE – Carrier Data Exchange
CCW – Common Web Services
CDX – Carrier Data Exchange Administration
CID – Carrier Incident Database
CIX – Carrier Incident Exchange
CPO – Carrier Profile Online
NSC-Web – National Safety Code
PTM-Web – Passenger Transportation Management Tool
CTMS-Web - Commercial Transport Management System
RIP – Roadside Inspection Program (CVSA e-Form)
RIX – Roadside Inspection Program Admin (CVSA-Admin)
SCO - Safety Certificate Online
VIP – Vehicle Inspection Program

Due to the systems migration the following applications may be intermittently unavailable during the update:

AMI – Application Messaging Interface
TPS – Transport Permit System
GLT – Weigh 2 Go.

Applications will be offline, both at Ministry offices and through our websites, from Saturday, November 28th, 2020 at 6:00 pm PST until Sunday, November 29th, 2020 at 6:00 pm PST.

Urgently needed permits may be manually issued by Provincial Permit Centre staff (**1-800-559-9688**). Any questions about this interruption may be directed to commercial.transport@gov.bc.ca.

Yours truly,

A handwritten signature in cursive script that reads "Jan Lansing".

Jan Lansing

Manager Commercial Transport
