

## Vehicle Inspections & Standards

# NOTICE

## To All Inspection Facilities

### **Re: Changes to Process for Purchasing Large Facility Station and Interim Decals**

This is an advisement to all Designated Inspection Facilities that the purchasing process has changed for Large Facility Station and Interim decals.

#### **Background**

The current process for purchasing Large Facility Station and Interim decals is by submitting an online order application through Commercial Vehicle Safety & Enforcement Vehicle Inspection Program.

#### **Application**

Effective **February 28<sup>th</sup>, 2022**, the purchase of Large Facility Station and Interim decals will only be available through the Queens Printer (QP) of British Columbia. Please review and follow the [QP User Guide](#) for purchasing Large Facility Station and Interim decals. Should you have any issues or questions while ordering decals, please contact the QP [Customer Service Desk](#) who will be able to help you.

#### **Benefits**

Due to this change in process, facilities will see several benefits, including:

- Streamlined and secure online ordering and payment; similar online process to ordering and payment of Certificate of Approval decals and Vehicle Inspection Manual.
- Delivery of decals will be direct to your facility location via courier.

If you have any further questions, please contact the Vehicle Inspection Program at 250-778-5458.

Regards,

Geoff Ford, Manager,  
Vehicle Inspections & Standards Program
